Science Club

The Senior Science Club was formed in 1952 under the direction of Mr. Dehil. All students having any interest in science are invited to attend. Demonstrations on all phases of science have been given for the benefit of the club members.

The show case in the main hall is for the school to see the different projects which are exhibited there for the students.

In Memoriam

DAVID SHELLNBARGER

I cannot say
I will not say
That he is dead
He is just away.

With a cheery smile
And a wave of his hand
He has wandered off
Into an unknown land
Which must be very fair
Since he goes smiling there.

Dedication

MRS. ARLENE MORRIS

To you, Arlene Morris, we dedicate the 1956 Anilec. You have served the school capably and well for a number of years, as our yearbook advisor. But also you have served over and beyond the call of an instructor and counselor in subjects that, unfortunately, cannot be included, as yet, in a high school curriculum.

Commencement — May 25, 1956
